Sub: Jobwork under GST

Dear Member,

In the textiles sector, as you are aware, many exporters especially from the Made ups and fabrics sectors get the export products manufactured through jobworkers. Processes like dyeing, printing, cutting, stitching etc are carried out by the exporters through the job workers. The Council is receiving queries from its members on different aspects of jobwork under the GST regime. The GST law has prescribed various Rules & Procedures for jobwork.

Enclosed [\(click here\)](#) please find FAQs on Jobwork. This is for your kind information and guidance.

We would request you to please go through the FAQs and do the needful. In case you need any further clarification please get in touch with us.
