Sub: Investment opportunities in Belarus

Dear Member,

The Council is directed to inform that during a meeting held between Additional Secretary, MoT and Mr. Vitaly Prima, Ambassador of the Republic of Belarus on 17th Oct.'17 in Udyog Bhawan, Mr. Vitaly handed over a presentation on a leading Linen manufacturing company in Belarus which has established trade agreement with Indian industry.

As per the presentation, Belarus is interested in attracting investors for the development of capabilities for the processing of short fibres of natural colour and in bleached form for further sale in the Indian market. Proposals were also sought from Indian industry for expansion of trade in handmade products; particularly carpets, silk and garments.

Members interested in investing in Belarus may kindly intimate the Council at info@texprocil.org at the earliest so that your interest may accordingly be communicated to the Ministry of Textiles.

Regards,

Dr. Siddhartha Rajagopal
