**Sub : TBT notification issued by Uganda on surgical fabric for gowns
and drapery**

Dear Member,

This has reference to TBT notification no G/TBT/N/UGA/893 dated 13th July 2018, issued by the Uganda National Bureau of Standards wherein Uganda has issued standard for surgical fabric for gowns and drapery.

The brief of the regulation is given below:

This Draft Standard specifies requirements for the performance, of green coloured surgical gowns and drapes materials used in the operating theatre. The standard requires that, the test method for the specific requirements of surgical gowns and drapes materials shall be in accordance with ISO standard.

The following information shall appear in legible and indelible marking on a label securely attached to the inner end of each roll:

- manufacturer's name or trade mark or both
- composition and type
- colour and (where applicable) dye lot number
- width, and length of each roll, in meter
- production lot number or production batch number

For more details, please also refer the **TBT notification** and **regulation** attached in this mail.

Kindly forward your comments or suggestions to the Council at info@texprocil.org latest by 13th August 2018.

Regards

Dr. Siddhartha Rajagopal
Executive Director
