Total number of exhibitors : 326 Companies with 644 booths.

Buyers : Buyers from 25 countries including China, Japan, Europe, Asia, North and South America, The Middle East and Africa had visited the exhibition.

About South Korea

1. South Korea is a high income developed country with a developed market and ranking 12th in the world in terms of purchasing power parity (PPP).
2. South Korea is one of the fastest growing and prosperous economy in the world.
3. South Korea was one of the few developed countries that was able to avoid a recession during the global financial crisis.

Indian Exports of textiles to South Korea

Exports of textiles & clothing from India to South Korea in 2015-16 was to the tune of US\$ 354 million.

India is the 2nd largest exporter of cotton yarn to South Korea next to China. Exports of cotton yarn in 2015-16 was US\$ 116.27 million.

India is the 3rd largest exporter of cotton fabrics to South Korea next to China and Vietnam. Exports of cotton fabrics in 2015-16 was US\$ 85.30 million.

Export potential for textiles & clothing from India to South Korea

1. Under the Indo-Korea FTA, there is zero duty on import of fabrics, made ups, home textiles and garments into South Korea from India, thereby offering greater market access for Indian textiles into the South Korean market.
2. South Korea has got tremendous presence in apparels thereby providing good scope for the export of fabrics including Denim fabrics.
3. The purchasing power of the people in the country is very high thereby providing good scope for export of home textiles.
4. There is good potential to export yarns and raw cotton to South Korea from India.
