Sub : Inviting participation at "Dhaka International Yarn & Fabrics Show, 8 to 10 March 2021 on Virtual Platform"

Dear Member,

This is to inform you that the Council is organising a group participation at **"Dhaka International Yarn & Fabric Show 2021 (DIFS)"**, Dhaka, Bangladesh on **Virtual Platform** being organized by CEMS-Global, Bangladesh from 8th - 10th March, 2021 and inviting application for participation.

As all the Textile Sourcing Trade shows in physical mode are postponed until next year including DIFS, there is a huge vacuum generated in the Textile Sourcing sector of Bangladesh, with Bangladeshi Apparel manufacturers wanting to source textiles and newer products but are unable to meet in person with Textile raw material suppliers.

In such a scenario and as an alternative to a physical Trade Show, an Online B2B Virtual Trade Show offering Live Chat, Call, Video Conference services between Bangladeshi Buyers & Textile Manufacturers is at the moment one of the best options for the Bangladeshi Apparel factory buyers to Virtually Connect Online with Textile manufacturers to continue with their Textile, Trims & Accessory Sourcing needs.

Bangladesh imports over US\$11.5 Billion worth of Textile products in a year for conversion into finished apparel and export. With the Virtual features, the DIFS 2021 (Virtual Edition) will be a Textile Sourcing Platform offering convenient Real-time/ Virtual connecting methods between Textile suppliers in India and Buyers from the entire Bangladeshi Textile & Apparel Industry.

Being the largest Foreign Exchange earning industry of Bangladesh with export of over US\$ 33 Billion, the Knitting & Garment sector imported US\$ 1174 Million worth of Cotton Yarn in addition to US\$ 4025 Million worth of Fabric in the year 2019 for conversion and export of Garments.
