Sub : Textile Industry Survey.

Dear Member,

The resurgent "second wave" of the pandemic is raising different questions in our mind related to the spectre of lockdowns, migration of labour and a general slowdown of economic activities and the span required for recovery.

Rather than relying on speculation, this survey: <https://www.surveymonkey.com> aims to assess the true situation of the textile industry - demand, prices, labour situation, which can help everyone to understand how to move forward together.

Since the survey will take less than 5 minutes of your time, members are requested to kindly fill the details given in the Survey.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
