Sub : Procedural Change in Exports to Egypt

Dear Member,

This is to inform you that there is a procedural change being implemented by the Egyptian Customs Authority for clearance of all shipments exported to Egypt.

We have been informed by the Embassy of India in Cairo that a new Single Window Clearance system has been introduced in Egypt and will be implemented with effect from 1st July 2021 for all shipments entering Egyptian Ports.

The new system will be operated through an Advance Cargo Information (ACID No) for which the Egyptian importer should register all needed documents of the shipment on the following portal www.nafeza.gov.eg/en

The importer will then receive a shipment number which they should send to the Indian exporter to add it to the shipping documents. The importer will then clear the shipment using that number and other shipping documents with the Customs Authority.

Please see attached file ([click here](#)) for required documents.

In case of any queries, the importer may get in touch with the below company who is authorized by the Egyptian Customs Authority to run the Single Window System:

Misr Technology Services

29 Farid Street, Heliopolis, Cairo.

T:[02 24149944](tel:02-24149944) / 15460

nafeza@mts-egy.com, Aci.campaign@mts-egy.com

We recommend all exporters shipping to Egypt to kindly take note of this procedural change and alert their importers accordingly.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
