Sub : Inviting Indian companies for Operation & Management of Cotton Dyeing, Finishing & Printing Processes in Egypt

Dear Member,

The Council has received through the Embassy of India in Cairo, a proposal for Operation & Management of Cotton Dyeing, Finishing & Printing Processes from the Cotton and Spinning and Weaving Holding Company, Ministry of Public Business Sector in Egypt.

The proposal invites Indian companies to be Operation and Management Consultant to operate the Dyeing, Finishing & Printing processes for 4 – 5 years, as well as transfer the know-how of running it efficiently and effectively to the manpower of the respective projects.

The consultant should have an excellent experience in operating Cotton Dyeing, Finishing & Printing, with specific experience in Benninger & Reggiani technologies. Towards this, the consultant should have a full time team of engineers and specialized labor, in the three target locations of the Dyeing, Finishing and Printing phase. The consultant should also be able to put together an implementation plan starting from the setup of the new machinery, followed by putting together the Operations Manual, and training the local labour on how to efficiently and effectively apply it, and ending by the full handover of the entire system.

Interested member companies may write to (ahmedmoustafa1654@hotmail.com and dtadros@mpbs.gov.eg) with a copy to the Council at shailesh@texprocil.org / mrunal@texprocil.org latest by 21st June.
