Dear Member,

As you are aware, over the past 15 months, Indian textile sector is undergoing difficult times due to Covid19 pandemic related issues and it is important that everyone in the textile value chain need to put in efforts in combating the pandemic.

In the present circumstances, Vaccination is the only possible measure to save lives and revive economic activities in all sectors. Vaccinating more people at a faster phase will help the economy to recover at the earliest.

At the recent Texprocil Export Awards Function held on 18th June, 2021, the Hon'ble Minister of Textiles Smt. Smriti Zubin Irani appealed to all Members of the Council and the Textile Industry at large to undertake "Free Vaccination Drives" for Workers, Employees and their Families so that status of "NIL Covid19" positive cases is achieved across the country at the earliest.

If your company has already undertaken such measures, we request you to kindly provide details in the attached format ([click here](#)). In addition to the details, grateful for sharing photographs of the vaccination drive undertaken by your company so that we can publicise it in the Texprocil Newsletter also.

Looking forward to your active engagement in promoting the vaccination drive in your respective areas and keeping us informed so that we can send reports to the Ministry of Textiles.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
