As we lead the fight against an unprecedented—once in a century, COVID-19 pandemic—**"Vaccination for All"** at a faster pace is the only possible measure to save lives and revive the economic activities.

Smt. Smriti Zubin Irani, Hon'ble Union Minister of Textiles and Women & Child Development, has appealed to the textile sector to resolve and undertake **'Free Vaccination Drives'** for Workers, Employees and their Families so that the status of **'NIL COVID-19'** positive cases is achieved across the country at the earliest.

In case your company has already undertaken such measures, kindly provide details in the attached format (Link to form given below). In addition to the details, we remain grateful to you for sharing photographs of the vaccination drive undertaken by your company so that we can publicise the same through **TEXPROCIL media publications**.

TEXPROCIL joins you in actively promoting the vaccination drive in your respective areas. Kindly keep us informed so that the Council can consolidate the information and report the progress to the Ministry of Textiles.
