To: Members of the Council

**Sub : Inviting members to join Texprocil's Sub-Committee on Sustainability.**

**Dear Member,**

Sustainability in the textile and clothing industry has gone beyond using just organic materials and efficient processes. The textile chain comprising yarns, fabrics and made-ups & apparels consumes a huge amount of water and energy, along with the use of various chemicals and harmful substances. There is a need to adopt newer methods of manufacturing, which do not hamper the environment and utilize natural resources, to help us not only sustain the textile industries but the eco-system as a whole.

The issue of sustainability has gained significance over the past few years and is considered an important parameter in the textile value chain worldwide. Keeping this in mind, the Council at its CoA meeting held on 26.08.21 has accordingly approved the formation of a Sub-Committee on Sustainability under the Chairmanship of Shri Updeep Singh, President & CEO - Sutlej Textile and Industries Ltd and Ms Mridula Ramesh, Executive Director of Sundaram Textiles Pvt Ltd as the Co-Chair.

**The Objectives of the Sub-Committee will be the following:**

- Updates on Indian and International developments in sustainability practices
- Discuss updates in standards & certification for organic / sustainable products
- To discuss issues on traceability of fibres in finished products
- To discuss latest innovations in sustainable products and processes
- Make recommendations / representations to the Ministry, whenever required
- Other issues of national and international importance during the course of the year

Members interested in being part of the Sub-Committee on Sustainability are requested to kindly send a line in confirmation of their interest latest by 3rd September to Mr Shailesh Martis, Joint Director, [shailesh@texprocil.org](mailto:shailesh@texprocil.org) / [mrunal@texprocil.org](mailto:mrunal@texprocil.org)

Looking forward to your participation in the Sub-Committee.

Regards,

**Dr. Siddhartha Rajagopal**  
**Executive Director**
