Sub : RODTEP / RoSCTL Advisory.

Dear Member,

As you are aware, the RODTEP and RoSCTL schemes are being operated on the Customs Automated System. Further, under these schemes, once the claim is allowed, a scroll is generated for the duty credit scrip and thereafter, the exporter is required to create an E-Scrip in the Electronic Duty Credit Ledger.

Based on feedbacks received from our members, the Customs Automated System is functioning smoothly without any glitches.

We would, therefore, request you to please check the status of your shipping bills filed under the RODTEP / RoSCTL scheme in the Electronic Credit Ledger and proceed further to create the E-Scrips without any delay, if the scrolls have been generated.

In case, you face any difficulty, please get in touch with our officer Shri A.Ravi Kumar, Additional Director for necessary guidance in the matter.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
