Sub : Trade enquiry from Russia in non-flammable textile sector

Dear Member,

This is with reference to a trade enquiry received through the Embassy of India in Moscow in the non-flammable textile sector.

The buying company in Moscow supplies decorative and upholstery fireproof textile materials and products for equipping the interiors of public buildings including railway, sea and river transport. The range of interior, curtain and furniture fabrics consists of flame-retardant polyester fiber.

They currently import flame retardant polyester yarn from Germany, Italy, Turkey and China.

The Company is interested in expanding the list of suppliers in the following items:

- Trevira CS and PES FR flame retardant polyester yarns
- Chemical twisted yarn
- Chemical complex threads (ATY, DTY, FDY, POY)
- Chenille yarn.

The company is also interested in purchasing a flame retardant in granules to create a flame retardant additive in PET melt.

Members interested in supplying the above range of flame retardant products may kindly submit their responses by [clicking here](#) latest by 16th April 2022

Members are advised to do a due diligence of the buyer before entering into any business contracts.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
