Sub : Virtual Buyer Seller Meet (BSM) to promote exports of 'Focus Products' to Japan

Dear Member,

This is with reference to our circular on 15th December 2021 inviting participation to be part of a 'Focus Group' for exports of select HS Lines of Made-ups to Japan. Further developments to the ongoing discussions by the Textile Committee in association with our Embassy in Japan has resulted in the likely scheduling of a Virtual Buyer Seller Meet (BSM) in the month of June 2022 between Indian Exporters and Japanese Buyers with special emphasis on the following:

- Sustainable items (Recycled Cotton, Recycled Polyester, Organic Cotton, Sustainable Banana Leather Fabric, etc.)
- Functionality items (Antiviral finish, antibacterial finish, quick-dry finish (Knit items), etc.)
- Introduction of items and factories capable of handling small lots.
- Introduction of factories that have been certified with Corporate Social Responsibility (CSR).
- Introduction of globally certified products.
- Items produced by traditional Indian Craftsmanship.

In case you are exporting the above products and wish to participate in the Virtual BSM, kindly register your company by [clicking here](#).

Request you to send your registrations on or before 6th June 2022.

Besides the Virtual BSM with buyers from Japan, the Council shall be organizing other online and offline Buyer Seller Meets and organizing participation in various International Exhibitions. We request you to kindly renew your membership, if not

already done so, to avail of the benefits of the various platforms being provided by the Council.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
