Sub : Relief in Average Export Obligation in terms of Para 5.19 of HBP of FTP 2015-20

Dear Member,

We would like to inform you that O/o DGFT has issued Policy Circular No. 44/2015-20 dated 17th November, 2022 by providing relief to exporters of those sectors that has witnessed a decline by more than 5% in 2021-22 as compared to 2020-21.

The list of such product groups (192 products including Textiles) showing the percentage decline in exports during 2021-22 is annexed to the Policy Circular No. 44/2015-20 ([click here](#)).

In this regard, DGFT has requested its Regional Offices to re-fix the average annual export obligations under the EPCG scheme, which allows import of capital goods for pre-production, production and post- production at zero customs duty.

The list of Textile Products falling under different HS Codes and showing decline in exports during 2021-22 as compared to 2020-21 is enclosed ([click here](#)).

Members are requested to take a note of the relief entitled under the Average Export Obligation for the above products and approach the concerned Regional Offices of the O/o DGFT.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
