Sub : Invitation to the Trade promotion Conference VietNam - India 2022 on 29th November 2022 in Thu Dau Mot City,, Binh Duong Province, Vietnam

Dear Member,

This is to inform you that the Binh Duong Department of Industry and Trade and India Vietnam Chambers of Commerce (Incham Vietnam) with the support of Consulate General of India in Ho Chi Minh City is organising a conference "Trade Promotion Conference & Business Matching Viet Nam - India 2022" form 09:00 – 11:000 AM on 29th November 2022 at Binh Duong Convention & Exhibition Center, Vietnam (offline and online via Zoom platform).

In the last few decades, it can be seen that Vietnam’s economy has been growing at a strikingly fast pace. In 2021, US\$ 31,15 billion was invested in the country, making it one of the most ideal places to do business in Asia. Noticeably, Binh Duong province in the South of Vietnam is the largest manufacturing hub in the country with thousands of factories set up by foreign investors. In the first nine months of 2022, the province attracted US\$ 2.6 billion of foreign direct investment (FDI) in Textile, Leather, Technology, Chemical, Energy, Construction, Agriculture, etc., ranking second in the country. In term of Textile industry, in the first 4 months of 2022, Vietnam imported nearly US\$ 10 billion of raw materials for the domestic textile and footwear industry and many of the importers are located in Binh Duong.

The tentative agenda is attached ([click here](#)) for your reference
