Sub : EPCG – EPCs & Trade Associations request for Samadhan Scheme – Details sought by DGFT – Reg

Dear Member,

It has been observed that Members have been raising issues with the Council regarding difficulties faced by them in fulfilling the Export Obligation (EO) fixed under the EPCG Scheme due to various factors including the impact of coronavirus, Russia-Ukraine war, economic slowdown in importing countries etc.

In this connection, the EPCs & Trade Associations have been requesting the Ministry of Commerce for the following –

- To grant extension of time to fulfill the export obligation,
- Grant an option to pay-up the duty saved amount without penal provision in case of non-fulfillment of Export Obligation and
- Dispense with the condition to fulfill Average Export Obligation.

Now, the Ministry has sought the details of exporters, who are unable to fulfill the obligation.

To proceed in the matter further, we request all our members who are unable to fulfill the EPCG export obligation to provide the details sought in the survey (link given below) latest by Saturday, 21st January, 2023.

Members may kindly take a note of the above and do the needful at the stipulated date.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
