Sub : Request for filing applications under the RoSL and RoSCTL Schemes

Dear Member,

As you may be aware, the Union Budget 2023-24 has increased the allocation for some key export-boosting schemes. Accordingly, the allocation for the Rebate of State and Central Taxes and Levies (RoSCTL) has been increased to Rs. 8,405 crore in 2023-24 from Rs. 7,461 crore in 2022-23 and Rebate of State Levies (RoSL) has been increased to Rs. 52.80 crore in 2023-24 from Rs.13.20 crore in 2022-23.

The schemes as you are aware, aim to refund to exporters the embedded central, state and local levies paid on inputs.

In this connection, we are given to understand that a significant number of exporters have still not submitted their online claims under RoSCTL & RoSL and many shipping bills under these Schemes for the fiscal year 2022-23 remain unutilized and unclaimed.

You are therefore requested to kindly take note of the above and submit claims (if not already done) at the earliest and well in time to avoid any inconvenience in the matter.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
