E-Serve No.: 43 of 2023 | Date: February 09, 2023

Sub : Assistance in filing of the applications for fixation of Standard Inputs Output Norms (SION).

Dear Member,

DGFT has issued Trade Notice No.26/2022-23 dated 8.2.2023 ([copy enclosed](#)) on the above subject.

You may be aware that Standard Input Output Norms (SION) are important for import of raw materials required to make units of output for export purposes.

In this regard, to encourage faceless, effective facilitation of trade & industry and to minimise person-to-person interactions, daily Video Conferencing (VC) facility has been set up by DGFT Regional Authorities (RAs) with Members of Trade & Industry in lieu of physical interactions. This facility has been effective from 2nd October, 2022.

Members may seek assistance/guidance while filing applications of Advance Authorisation cases for fixation/finalization of SION through this VC facility to ensure completeness of application for faster fixation of SION.

Please note that the VC link is operational on every working day between 10:30 AM to 11:30 AM, attended by an Officer not less than a Deputy DGFT. The link is accessible on DGFT website (<https://dgft.gov.in>) >>> About DGFT >>> VC Facility for Trade Facilitation.

Members may kindly take a note of the above and do the needful.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
