Sub: Webinar on the General Certificate of Conformity (GCC) programme

Dear Member,

TEXPROCIL in association with Control Union is organizing an online webinar on the General Certificate of Conformity (GCC) programme that provides traceability and certification of Indian Farm Cotton

As you are aware the Council has rolled out the GCC programme using QR code based Blockchain technology in order to validate the use of Indian Farm Cotton across the textile value chain. GCC certification will provide the following benefits to Indian companies engaged in exports of cotton textile products:

Benefits of the GCC program

- Authentication of origin of Indian Farm Cotton
- Verifiable and Traceable at each stage of the value chain from Ginning
- Certification process as per Globally accepted standards
- Screening and records identification of actual movement of goods

The Webinar is scheduled to be held on Thursday, 6th July and 3.00 p.m. We request you to register for the webinar by clicking on the below link:
