Sub: Sending samples of made-up items to Embassy of India, Tokyo Japan

Dear Member,

This is with reference to the recent virtual meeting held on 29th June 2023 between Texprocil and the Embassy of India in Tokyo, Japan regarding the facilitation and increase of cotton textile exports from India especially made-ups.

During the discussion, the Indian Mission mentioned that they receive several enquiries on a day-to-day basis from Japanese buyers who visit the Embassy of India in Tokyo. The visitors show keen interest to purchase cotton textiles from India but unfortunately are unable to see any samples of Indian suppliers.

The Mission has sought the assistance of the Council in requesting member exporters to send samples of the following products ([click here](#)) along with company profiles / brochures (about 10 nos. preferably in Japanese language).

Member interested in sending their samples may kindly contact Mr Shailesh Martis at [shailesh@texprocil.org](mailto:shailesh@texprocil.org) or [9819886638](tel:9819886638) for further clarifications and details.

Regards,

**Dr. Siddhartha Rajagopal**  
Executive Director
