Sub: Inviting applications for Texprocil Export Awards for the fiscal years 2021-2022 & 2022-2023

Dear Member,

As you are aware, Texprocil distributes Awards for outstanding export performance every year.

This time the Council is planning to distribute Export Awards together for the years 21-22 and 22-23. Accordingly, the award applications are being invited for 2 years. The applications are required to be filed for the years 21-22 and 22-23 separately. Please refer to the year-wise application forms given in the link below. However, a CA certificate can be submitted commonly as per the prescribed format (i.e. Export figures for the years 2020-21, 2021-22, and 2022-23) along with the applications for awards being made for both years. Please refer to a separate link for the CA certificate given below.
