Sub: Shortage of Containers for Export

Dear Member,

The Council is in receipt of a message from the Ministry of Textiles on the above subject.

The Ministry has requested inputs from members of Trade for the following three queries –

(a) Whether textile exporters are facing shortage of containers for export and making it difficult for them to maintain the schedule of shipments;

(b) Whether container shortage is being observed due to decline in volume of imports from China and if so, the details thereof; and

(c) Whether the shortage of containers is troubling the exporters not only at the port but also in the Inland Container Depots (ICD) and if so, the reasons thereof?

In this context, we request you to kindly provide your valuable inputs on the above latest by Friday 8th December, 2023 to sybil@texprocil.org / annie@texprocil.org for enabling us to send the same to the Ministry.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
