E-Serve No.: 24 of 2024 | Date: February 23, 2024

Sub: DGFT provides relief in Average Export Obligation as per para 5.17(a) of the HBP of FTP 2023

Dear Member,

O/o DGFT has issued Policy Circular No.10/2023-2024 dated 22nd February, 2024 ([enclosed](#)) by providing relief to exporters of those sectors that have witnessed a decline by more than 5% in 2022-23 as compared to 2021-22. A list of 428 product groups showing the percentage decline in exports during 2022-23 as compared to 2021-22 is annexed to Policy Circular No.10/2023-2024.

In this regard, DGFT has requested its Regional Authorities (RAs) to re-fix the Annual Average EO for EPCG Authorizations for 2022-23 accordingly.

The list of 39 relevant textile products falling under different HS Codes and showing decline in exports during 2022-23 as compared to 2021-22 is enclosed ([click here](#)).

Members are requested to take a note of the relief entitled under the Average Export Obligation for the above products and approach the concerned DGFT RAs.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
