Sub: Sansad Rozgar Mela, Mumbai on 11th March, 2024 – Request for urgent Registration

Dear Member,

We are glad to inform you that National Skill Development Corporation India (NSDC) is organizing a Sansad Rozgar Mela in Mumbai on 11th March 2024.

You may be aware that NSDC is a non-profit public limited company set up by the Ministry of Finance as a Public Private Partnership (PPP) model. The Government of India through the Ministry of Skill Development & Entrepreneurship (MSDE) aims to promote skill development by bringing creation of large, quality and for-profit vocational institutions.

There is a growing need in India for skilled manpower across sectors and narrow the existing gap between the demand and supply of skills.

NSDC aims to provide momentum for large-scale participation by private players in skill development. NSDC will identify critical skill groups, develop models for skill development and attract potential private players and provide support to these efforts. With initiatives like Rozgar Melas, the Government is ensuring a parallel growth in the private/ industrial sector.

Please find [attached document](#) for the registration link and guidance.

Members may please register and actively participate in the Rozgar mela. The Registration copy of the same may be sent to the Council (sybil@texprocil.org / annie@texprocil.org) for information and record.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
