Sub: Invitation to participate in Egypt Fabric & Yarn show - 20-23rd February 2025

Dear Member,

This is to inform you that Business Plus Fairs and Vision Fairs are organising the 17th edition of Egypt Fabric & Yarn exhibition at the Cairo International Convention Centre (CICC) and are inviting participation from Indian Companies. The Exhibition is held concurrently with the Egy Stitch & Tex exhibition and is scheduled to take place from the 20-23rd of February 2025.

Why Egypt?:

-- Textiles is the largest industry in the Egyptian economy which is predominantly cotton based.

-- India being the largest cotton yarn exporter to Egypt, this is the go-to show for the entire textile manufacturing value chain.

-- Demand for yarns is expected to grow by 19% over the next 3 years

-- In addition to the Free Trade Agreements with European Union, COMESA and Arab World, Egypt's qualifying industrial zone (QIZ) agreement with the United States gives local manufacturers both tariff and quota-free access to the US market.

Egypt's commercial ports and strategic location allow the companies to access Asia, Africa and Europe easily.

About Egypt Fabric & Yarn Exhibition:

Egy Stitch & Tex has been the parent show for the last 17 editions of which the yarn and fabric exhibitors were part of. However, with the increase in the number of Yarn and Fabric exhibitors in the recent past, the Egypt Fabric & Yarn exhibition now has its own dedicated hall.

The exhibition is supported by the Egypt Textiles & Home Textiles Export Council, Textile Industries Chamber of Egypt and The Apparel Export Council.
