Sub: Harmonisation of Schedule-II (Export Policy), ITC(HS) 2022

Dear Member,

As part of its ongoing efforts to streamline Export Control and Facilitation, DGFT is harmonising Schedule-II of the Export Policy to align with 8-digit ITC (HS) codes, providing greater clarity for stakeholders.

In this regard, DGFT has now issued Trade Notice No.22/2024-25 dated 14th November 2024 ([enclosed](#)) which notifies the harmonisation of Schedule-II based on the latest tariff codes under the Finance Act 2024, replacing the previous description-based Export Policy.

Members are requested to kindly review the updated draft Schedule-II (Export Policy) which pertains to the Cotton Textile items falling under the purview of the Council (list of HS Codes falling under HSN 4202, Chapters 52/56/58/59/60/63 and HSN 9404 [enclosed](#)) and please submit your comments/feedback to DGFT at exporthdgt@nic.in, with a copy marked to the Council (sybil@texprocil.org, annie@texprocil.org), latest by 27th November, 2024. Subsequent to the consultation period, the draft will be finalised and duly notified.

Members may please make a note of the above and do the needful, since your feedback will assist DGFT in finalising the harmonisation process of our HS Codes.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
