Sub: Procedure to be followed to check the status of container for scanning

Dear Member,

JNCH has issued Public Notice No.16/2025 dated 7th February 2025 (enclosed), informing about the Launch of the New CSD Web Portal by CSD (Container Scanning Division) which can be accessed at https://csd.jnpa.in

All stakeholders (CB, Importer/Exporter, Shipping Line, CFS, Port Terminal, etc.) can check the container status, i.e., whether the container is selected for scanning or not, and whether the container has been scanned and examined, by entering the container number, IGM number, and IGM date in the 'Check Container Status' tab of the web portal.

Please follow the instructions given below to 'Check Container Status'

1. Visit the Website – https://csd.jnpa.in
2. Click on "Check Container Status" on the home page to verify:
    a) Whether the container has been selected for scanning.
    b) Whether the container has been scanned and examined.
3. Enter the Required Details:
    a) Container Number
    b) IGM Number
    c) IGM Date
4. Click on "Check Status" to retrieve the latest information.

This initiative aims to streamline container tracking and improve transparency in the scanning process.

Members may to utilize this facility for a smoother workflow.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
