Sub: Compilation of National Registry for Lab and Testing Infrastructure for Cotton Textile Products

Dear Member,

As you are aware, DGFT has launched the Trade Connect ePlatform ([www.trade.gov.in](http://www.trade.gov.in)), a digital initiative aimed at informing and empowering Indian entrepreneurs in international trade.

In this regard, a National Registry for Lab and Testing Infrastructure has been envisioned to assist exporters and importers in identifying accredited testing facilities with ease. This initiative will enhance visibility for various testing facilities operated by different Export Promotion Councils (EPCs) and Boards, thereby facilitating a more streamlined certification process for international trade.

To support this initiative, we request you to share details of the Testing Labs you send your samples for conducting tests on Cotton Textile products for your business.

The compiled list will be submitted to DGFT in the prescribed format mentioned below:

1. Name of the Lab/Testing Facility :
2. Type of Ownership (Govt./Pvt.):
3. Lab Owner Details (Enter EPC name if owned by EPC) :
4. Products Tested (along with HSN code, if known) :
5. Accreditation Status (Yes/No) :
6. Accreditation Details :
7. Additional Information (if any) :
8. Website :
9. Location :
10. Address :
11. Email :
12. Contact Numbers :

Your cooperation in providing us these details latest by tomorrow, Wednesday 12th February 2025 shall be highly appreciated. Kindly submit the information to us at [[sybil@texprocil.org](mailto:sybil@texprocil.org); [annie@texprocil.org](mailto:annie@texprocil.org)].

For any further clarification, please feel free to contact us.

Regards,

Dr. Siddhartha Rajagopal  
Executive Director
