

E-Serve No.: 106 of 2025 | Date: June 04, 2025

Sub: Invitation from Government of Gujarat to avail funding support for development of infrastructure projects under Trade Infrastructure for Export Scheme (TIES).

Dear Member,

The Council has received a communication from the Government of Gujarat giving an update on the progress made on their efforts undertaken towards building a robust ecosystem for businesses and exporters. As an outcome of these initiatives, the state of Gujarat has achieved lead position in Logistics Ease Across Different States (LEADS) Index, Ease of Doing Business (EoDB) Rankings, Startup Ranking Framework and Export Preparedness Index.

To continue the momentum and to ensure that Gujarat remains a preferred investment and export destination, the Government is desirous of developing requisite infrastructure projects. In this regards, funds are being made available under the Trade Infrastructure for Export Scheme (TIES) of the Ministry of Commerce and Industry, Government of India (GoI) to extend support for development of infrastructure projects that promote export from the state.

Scope: New as well as existing infrastructure projects requiring up-gradation that have overwhelming export linkages will be considered, including projects like – quality testing and certification labs, cold chains, trade promotion centres, dry ports, export warehousing and packaging, land custom stations, SEZs, port / airports cargo terminuses, etc. Last and First mile connectivity projects related to export logistics will also be considered.

An expression of interest is invited from all those desirous to obtain funding support under the Trade Infrastructure for Export Scheme (TIES) for development of infrastructure projects that fall within the above mentioned scope and are able to provide substantial evidence of export linkage. Those interested may kindly send in their application to the Council by 11th June, 2025 by filling-in complete details in the format attached and email to: rajesh@texprocil.org

Link for downloading Application Form ([Click Here](#)).

The Council looks forward to receiving your support and cooperation in identifying suitable projects for consolidation and submitting to Government of Gujarat.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
