Sub: Invitation to participate in "TEXTILLEGPROM", Moscow, Russia from 16-18 September 2025

Dear Member,

The Cotton Textiles Export Promotion Council (TEXPROCIL) is organizing National Pavilion at the 64th edition of TEXTILLEGPROM, scheduled from 16th to 18th September 2025 at Pavilion 3, Hall 13, Crocus Expo, Moscow, Russia.

With a 31-year legacy, TEXTILLEGPROM is Russia's premier textile and light industry exhibition, showcasing the entire value chain—from raw materials to finished products and services. The fair attracts buyers from all 84 Russian provinces and over 40 countries, offering unmatched access to the Eurasian market.

Why Russia?

The Russian textile market is emerging as a key destination for Indian exports, driven by:

- The exit of major European and U.S. brands post-Ukraine conflict, creating new demand.
- The development of the International North-South Transport Corridor (INSTC), which will significantly reduce transit time between Mumbai and Moscow via multi-modal logistics.
- The opportunity for expanding trade with countries in the Eurasian region.
