Sub: Trade Advisory for Indian Companies - new regulatory requirement for Algerian importers

Dear Member,

The Council has received a communication ([click here](#)) from the Embassy of India in Algiers, Algeria, regarding a new regulatory requirement for Algerian importers.

With effect from 1 July 2025, the Algerian Government has introduced a new measure for importers to submit a "Tentative Import Program" for the second half of the year. This program must be duly endorsed by the Ministry of Foreign Trade and Export Promotion and is mandatory for any pre-domiciliation, domiciliation, or opening of Letters of Credit (LC) for imports.

Members are requested to inform their Algerian importers of this new measure to ensure streamlined export operations.

Regards,

**Dr. Siddhartha Rajagopal**  
Executive Director
