Sub: Urgent Submission of Export Data - Impact of 25% US Tariff

Dear Member,

As you are aware, the US has imposed a 25% reciprocal tariff on Indian exports of textiles and garments.

In this regard, the Ministry of Commerce is assessing the immediate impact on exports of textile and apparel to the US market, and has accordingly sought a list of companies currently exporting to the US, along with their respective export values.

If you are exporting to the US, then kindly provide the necessary information via the Google Form ([click here](#)) no later than 6th August, 2025.

Regards,

Dr. Siddhartha Rajagopal  
Executive Director
