Sub: Invitation to participate in the 24th edition of Dhaka International Yarn & Fabric Show 2025 (DIFS) – Summer Edition from 10th to 13th September 2025

Dear Member,

This is to inform you that CEMS-Global, USA is organising participation of Indian companies at the 24th edition of Dhaka International Yarn & Fabric Sourcing Show from 10th to 13th September 2025 at the Bangabandhu Bangladesh-China Friendship Exhibition Center, Dhaka.

This renowned exhibition is one of the leading textiles shows in South Asia that brings together key players from the global textile industry. The event will showcase a diverse array of yarns, fabrics, trims, and accessories, highlighting the latest trends and innovations shaping the industry.

Why to participate?

- **Access to a High-Potential Market:** Bangladesh is one of the largest manufacturers and suppliers of Ready-Made Garments in the world. Participating in the show provides unparalleled opportunities to connect with buyers, distributors, and stakeholders from across the region, driving growth in exports of yarn and fabric from India
- **Spotlight on Innovation:** Showcase your latest yarn, fabric, and textile innovations to a targeted audience of industry professionals, including leading brands, manufacturers, and designers. The event is a platform to highlight your products' unique features and applications.
- **Strategic Networking Opportunities:** The event attracts top-tier professionals, decision-makers, and influencers from the textile industry from Bangladesh & Europe.
- **Part of a Renowned Exhibition Series:** The Dhaka International Yarn and Fabric Sourcing Show is a key event in the globally recognized Textile Series of Exhibitions organized by CEMS-Global USA across 3 continents in Bangladesh, Brazil, Morocco, Sri Lanka and Thailand. With a proven track record of success, the series is known for delivering impactful trade shows across the world.
- **Exclusive Focus on Yarn and Fabric Sourcing:** Unlike general textile trade shows, this event focuses specifically on yarns and fabrics, ensuring that participants can directly

connect with their ideal audience. Whether you're a producer, supplier, or trader, this targeted approach maximizes your ROI.
