Sub: DGFT launches Pilot Phase of 'Bharat Aayat Niryat Lab Setu' to digitise testing and certification for Exports and Imports

Dear Member,

To strengthen India's trade facilitation ecosystem, DGFT vide Trade Notice No.14/2025-26 dated 27.10.2025 ([enclosed](#)) has launched pilot phase of **Bharat Aayat Niryat Lab Setu**, a single-window digital platform integrating accredited testing and inspection agencies nationwide. Accessible at <https://trade.gov.in> - **LabSetu** or <https://trade.gov.in/pages/labsetu> it will enable exporters/importers to search, apply, track and obtain digital test reports/certifications across product categories.

Objective:

To streamline testing and certification, reduce delays, improve transparency and traceability and enhance global trust in India's quality infrastructure. During the pilot phase, existing offline processes may continue in parallel to ensure smooth transition and system refinement.

Key Dates for implementation:

- **04.11.2025** – Pilot phase begins; onboarding of testing/inspection agencies
- **11.11.2025** – Exporters/importers may start submitting testing applications
