Sub: Issues related to textile export to Bangladesh

Dear Member,

During the 10th meeting of the Joint Working Group of Ministry of Commerce on Trade held between India and Bangladesh, the Indian side informed that the diversion of imported cargo to new consignee if the original buyer is unable to take delivery requires multiple NOCs which takes almost 6 months. Bangladesh also does not allow return of imported cargo.

In this regard, the Bangladesh side requested the Indian side to provide specific case to case details.

Members facing such problems with buyers in Bangladesh are requested to provide full details at the earliest so as to take up the matter suitably with the Bangladesh government.

Regards,

N. Ravindranathan
Director
