**E Serve No. 106 of 2018**

**August 31, 2018**

**Sub : Inviting Fabric samples from Members for display at the  
Council's information booth at PREMIERE VISION PARIS**

**Dear Member,**

The Council will be participating in 'PREMIERE VISION PARIS' being held at Paris from 19 to 21 September, 2018.

To facilitate increasing export of yarn & fabrics (both Woven and Knitted) to EU, the Council invites samples of Speciality Yarns & High Quality Fabrics for display at the Council's information booth at PREMIERE VISION PARIS. Trade enquiries received will be promptly conveyed to respective Members contributing samples for further follow-up.

**Samples:**

Interested Members are requested to send samples of Speciality Yarns & High Quality Fabrics Samples can be:

1. Baby Cones of Yarns
2. Full width fabrics of 2 mtrs length
3. Hanger swatches of 30 cm width X 1 mtr length
4. Swatch folders

Each of the samples should be labeled mentioning complete specs and code number along with price list. Considering space constraint in the Council's info booth, samples from a maximum of 10 companies only will be accepted on first come first basis.

**Owing to stringent screening process by the organizers of the Fair, Company Name and Contact details on the Swatches / Cones are not allowed. However, the Council will create QR Code / Barcode on each sample swatch / baby cone so that buyers interested in your product can contact you directly.**

**Fee:**

A nominal fee of Rs.25,000/- per company will be charged to partly cover expenses in handling the samples etc.

To maintain uniformity in display at the booth, the Council reserves the right to reject samples of irregular sizes.

**Last date:**

Members interested to display Samples at PREMIERE VISION PARIS are requested to send their samples and payment favoring 'the Cotton Textiles Export Promotion Council' payable at Mumbai, on or before 5th September, 2018.
