**Dear Member,**

Heimtextil Russia is the main trade fair for home and interior textiles in Russia. This year, the fair was held in IEC Crocus Expo in Moscow from September 18-20, 2018.

The Council's officials visited Moscow during the fair for making a comprehensive assessment of the opportunities available for Indian exporters for increasing the market access in the textile sector. The effort was to understand the home textile market in Russia and get inputs for scaling up the level of participation at the fair to be held next year.

Attached is the list of **Trade Enquiries** ([click here](#)) received at the Council's information booth in Heimtextil Russia 2018.

This is for your information please.

Note: Kindly verify the credentials of the buyers listed before entering into any financial or contractual agreement.

Regards

**Rajesh Satam**
