Sub: Participation at Premier Vision Paris

Dear Member,

As you may be aware, Premier Vision (PV) Paris is one of the important and most prestigious Fairs for Textile exporters. However, acceptance of application for participation has to go through stringent screening process to make sure that the products to be displayed are of very high standard as stipulated by the external screening committee.

We are glad to inform you that the organisers have accepted application of Texprocil to exhibit at Premier Vision Paris so as to collectively promote products of already approved Indian exhibitors at this Fair.

The Organisers of PV Paris are willing to consider new applications from deserving Indian manufacturers to exhibit at this Fair.

If you are manufacturing high quality textile products and interested to participate at this Fair, kindly contact us at ravi@texprocil.org for guidance to proceed further in the matter.

Regards,

N. Ravindranathan
Director
