**Sub : Inviting participation at Intex South Asia 2018 exhibition from
14th - 16th November 2018, Colombo, Sri Lanka**

Dear Member,

The Cotton Textiles Export Promotion Council (TEXPROCIL) proposes to organize India Pavilion in Intex South Asia 2018 exhibition from 14th - 16th November 2018 at the Sirimavo Bandaranaike Exhibition Centre (BMICH), Colombo, Sri Lanka.

Why Intex South Asia?

Intex South Asia provides a one-stop comprehensive sourcing & trading platform for global apparel manufactures, international sourcing & buying offices, buying houses, apparel brands & retailers, etc. to source and connect with quality suppliers of yarns, apparel & denim fabrics, clothing accessories, dyes & chemicals and other allied services from South Asia, South-East Asia and other international markets.

Intex South Asia 2018, is organized by Worldex India Exhibition & Promotion Pvt. Ltd., endorsed by Ministry of Industry & Commerce (Government of Sri Lanka), Sri Lanka Export Development Board (EDB), Joint Apparel Association Forum (JAAF) and many other leading international industry associations and Chambers of Commerce.

INTEX 2017 Post Show Report:

- Intex South Asia has successfully connected with professional trade buyers and suppliers from more than 30 countries and regions with an

excellent growth of 67% international buyer growth and 46% in exhibitor's year-on year basis making it the biggest and only international textile sourcing show of South Asia region.

- Intex South Asia has experienced 70% buyers from Sri Lanka, 23% buyers from South Asia & Middle-East and 7% International Buyers.
- Top Buyers like Marks & Spence, MAS, TESCO, Decathlon, Asmara, MGFs Sourcing, Debenhams, Next, Herma, PVH, T&FG, Turtle, George, Hirdaramani, Orchestra, Dewhirst. Etc. visited the show.

Sri Lanka Textile & Clothing Industry

Sri Lanka is a preferred destination for high-end apparel sourcing across Asia, with its apparel export industry valued over US\$ 5 billion being the most significant, highest industrial employment generator and the highest foreign exchange earner in the growing Sri Lanka's economy.

Made in Sri Lanka label under "Garments without Guilt" is renowned across the world that works with the principles of ethical working conditions, free of child labour, free of forced labour, free of discrimination on any grounds, free of sweatshop practices, green factories, etc.

Sri Lanka is repositioning itself as a hub for supplier countries in the South Asia region and hence offers very good opportunity for increasing exports of yarn & fabrics.

Sri Lanka has become a world class apparel manufacturer supplying to global super brands for over three decades and preferred destination for high-end apparel sourcing across Asia. Sri Lanka is repositioning itself as a hub for supplier countries in the South Asia region and hence offers good opportunity for increasing exports of yarn & fabrics.

Sri Lanka's Imports of Textiles and textile articles in 2017 was US\$ 2,724 million & Exports of Textiles and Garments in 2017 was US\$ 5,032 million. Sri Lanka is a net importer of Yarn & Fabrics for conversion, value addition and export of garments. With due regard to market proximity, the high quality conscious Sri Lankan garment manufacturers prefer to increase their sourcing from Indian participants at the fair, thus providing an opportunity to Members to meet with major importers in Sri Lanka.
