Sub : Invitation VDMA Textile Machinery webtalk on July 15th 2020: Production technologies for respiratory protection masks (FFP-masks and surgical masks)

Dear Member,

VDMA Textile Machinery, which stands worldwide for technological leadership and the highest level of consulting competence, is holding a new web seminar series "**Textile Machinery Webtalk**".

The experts from VDMA member companies will present their innovative technologies in a maximum of 90 minutes on a specific topic and will be available to answer the participants' questions. The presentations will be held in English. Participation in the web seminars is free of charge. Due to the current situation with COVID-19 and the high demand for face masks worldwide, the second webtalk is being focussed on the following topic:

Technologies for the production of nonwovens for respiratory protection masks (FFP masks and surgical masks)

15 July 2020, 2 pm - 4 pm (CEST)

Interested members can register for the webtalk ([Click here](#))

The presenters at a glance:

Automated masks manufacturing with integrated inline quality control

Edgar Mähringer-Kunz, General Manager, IMSTec GmbH www.imstec.de

Auxilium FM – High-speed Surgical Mask Production Machine

Sven Weissoertel, Business Area Manager, Winkler+Dünnebier www.w-d.de

Ways to certification and approval of surgical masks and FFP masks in Europe

Peter Stieffenhofer, Lead Business Consultant, msg industry advisors www.msg-advisors.com

Moderator: Boris Abadjieff, VDMA Textile Machinery Association.

This is for your information.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
