December 14, 2018

Circular No.EPS/61/2018-19

To: Members of the Council

Sub: Revised All Industry Rates of Duty Drawback

Dear Member,

As you are aware, the Government has revised the All Industry Rates (AIRs) of Duty Drawback vide Notification No.95/2018-Customs (N.T) dated 6.12.2018 which will be effective from 19.12.2018.

In this regard, the Government has issued Circular No.52/2018- Customs dated 12.12.2018 stating that the "Drawback Committee constituted by the Central Government has been mandated to give a supplementary report on the basis of representations received after the revised rates are notified".

We would, therefore, request you to please send us data and supporting documents (product wise) in case the Duty Drawback rates are required to be increased. Please send us the data / supporting documents by courier or on the E-mail IDs ravikumar@texprocil.org / vimal@texprocil.org **on or before December 26, 2018.**

Also, please note the following while exporting under the Duty drawback Scheme :

(1) For claiming the Duty Drawback amounts, the relevant Drawback tariff number should be suffixed with "B". For instance, for export goods covered under tariff item (TI) 630201, the Drawback tariff no. should be declared as 630201B on the shipping bills and all other relevant documents.

(2) Necessary caution should be exercised to ensure that there are no mismatch of declarations made in the product details and the Drawback details on the shipping bills.

A copy of Circular No. 52/2018-Customs dated December 12, 2018 is enclosed herewith ([click here](#)).

We would request you to please take a note of the above and do the needful.

In case, you need any clarification in this regard, please get in touch with us.

Thanking You,

A. Ravi Kumar
