Sub : 3rd Online Workshop Session for exhibiting in Ind-Texpo Virtual Exhibition

Dear Member,

As you are aware, TEXPROCIL has launched the virtual edition of 'Ind-Texpo', an online exhibition and trade platform for textiles from 14th – 18th September 2020. The Council has already organised 2 Online Workshops on 23rd July and 1st August for which a good response and interest from the trade was received to exhibit on the virtual platform.

Almost 70% of the confirmed exhibitors of Virtual Ind-Texpo have completely "onboarded" their profiles along with product shots and videos onto the virtual platform. With an extensive buyer promotion programme through Indian Embassies and Textile Associations abroad, we hope to create a unique online experience of one-on-one secure meetings for Indian exporters as well as the international buyers.

The Council is now organising the **3rd edition of the Online Briefing and Workshop Session on Wednesday, 12th August 2020 from 11:30 am to 1:00 pm.**

For the new exhibitors who have just confirmed their participation, there will be a short recap in terms of completing the exhibitor profile section and understanding how to schedule B2B meetings. This will be followed by a demo on how exhibitors

& buyers can do their individual one-on-one B2B meetings.

We urge all the participants of our previous Workshops to attend this 3rd Session also as the demo of B2B meetings will be shown. There will be a detailed Q&A session to clarify any queries from the participants.

This Workshop is open to all members and there is no fee payable, however, it is necessary to REGISTER at the below link:
