**Sub : Online Application for RoSCTL on exports from April 1, 2020**

**Dear Member,**

The Council had received representations from its members pointing out difficulty faced by them in applying for duty credit scrips under the RoSCTL scheme on exports from April 1, 2020 onwards as the online application form on the DGFT website was not activated.

Based on these representations, the Council made several representations to the Government at various levels to activate the online application form.

We are glad to inform you that the online application module on the DGFT website have been activated yesterday (09.09.2020). Exporters can now apply for duty credit scrips under the scheme on exports from April 1, 2020. The RAs will start issuing the duty credit scrips under the scheme from today onwards.

Please note that exporters can also apply for duty credit scrips under the scheme on exports from March 7, 2019 to December 31, 2020 (the online application form was temporarily frozen for some time) and from January 1, 2020 to March 31, 2020.

You are requested to please take a note of the above and do the needful.

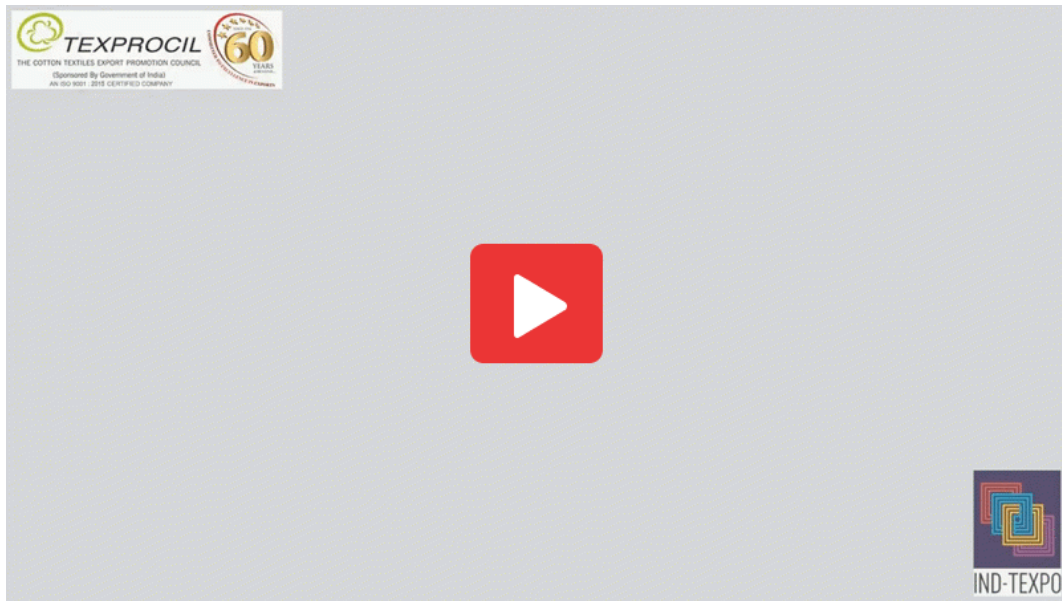

In case of any difficulty, please get in touch with us.

Regards,

**Dr. Siddhartha Rajagopal**

**Executive Director**
