Sub: Session on GST in Mumbai - March 13, 2018

Dear Member,

As you are aware, GST has been implemented from July 1, 2017. This new Indirect Tax regime has opened up new challenges. Exporters are still continuing their efforts in adapting to the GST regime. One of the biggest challenges currently being faced by the exporters is with regard to the refund of IGST and Input Tax Credit on export goods. To ensure smooth refund of IGST and Input Tax Credit, it is important to file the Returns and Shipping Bills correctly without any error or mismatches. A large number of refunds on goods exported remain pending due mis-matches between details provided in the GSTR1 and the Shipping Bills.

It is in this context that TEXPROCIL will be conducting a Session on GST in Mumbai to educate its members on all aspects regarding Refund of GST and also to update on all recent changes in the GST Laws / Procedures with regard to exports.

Details of the Session are as follows:
