**Dear Member,**

We have been informed by GoSourcing365.com , a US based online portal for Textile & Clothing business that they are getting a huge influx of inquiries from buyers who wish to source Textiles from India due to ongoing supply chain disruption in China.

To tap the present opportunities , it is important to create visibility for Indian suppliers in the international market. In this context, GoSourcing365 is offering a 60-days Free subscription to Texprocil members.

Subscribers are also given access to contact details of the latest 100 buyers on the Dashboard.
