Sub: - Release of book titled "Nigeria: A Business Manual"

Dear Member,

As you are aware, Nigeria, an OPEC member, is India's largest trading partner in Africa. Apart from being India's fifth largest source of crude, Nigeria is a large market for Indian exports, particularly for textiles, food stuff, pharmaceuticals, Chemical & Allied Products, automotive products, Plastic Products, Steel, etc. There are over 120 Indian companies active in Nigeria with cumulative investments approaching \$ 10 billion. Indians are probably the largest non-African expatriate group in that country.

Against this backdrop, we wish to inform you that a book titled "Nigeria: A Business Manual" written by Ambassador Mahesh Sachdev, IFS (Retd.), President Eco-Diplomacy & Strategies, Delhi has just been released recently.

A flyer giving details of the book and how to order are attached [\(click here\)](#) for your reference.

Regards,

Dr. Siddhartha Rajagopal
Executive Director
