We have been informed by the IMC Chamber of Commerce & Industry, Mumbai that as part of Make in India initiative, they are organising a Conference on "Make Mittelstand in India" on Monday, April 2nd, 2018 from 9.15 AM onward, at Hotel Taj Mahal Palace, Mumbai.

The German Mittelstand companies are the backbone of the German industry and its economy. Most of them are family owned and are 'small', yet they are world market leaders in their domain and possess cutting-edge technologies.

The Conference will bring together experts to deliberate how Indian manufacturers can emulate strategies adopted by MSMEs in Mittelstand to realize the government of India's Make in India mission.

The Conference will explore policy and other facilitative measures that are necessary to Make Mittelstand in India.
