Sub: Employment Generation in the Made ups sector

Dear Member,

As you are aware, the Ministry of Textiles had announced the ROSL scheme **(Scheme for Rebate of State Levies on Export of Made ups 2017)** in January 2017. Subsequently, the Ministry of Textiles vide Notification dated March 15, 2017 had notified ROSL rates for Made ups covered under Chapter 63 of the AIR Drawback Schedule.

Further, the objective of the ROSL scheme is to boost employment in the labour intensive Made up sector.

The Government is now in the process of assessing the additional employment generated in the Made ups sector since the introduction of the ROSL scheme and has sought inputs in this regard from the Council.

We would, therefore, request you to please send us details as per the enclosed format **(click here)** by email on the email IDs ravikumar@texprocil.org/
vimal@texprocil.org positively **on or before April 27, 2018**.

Please note that the details are required to make an overall assessment in the Made ups sector from the point of view of employment generation and we assure you all company specific data will be kept confidential.

We solicit your support and cooperation in the matter and look forward towards receiving the information at the earliest.

Regards,

Dr. Siddhartha Rajagopal
