E Serve No. 53 of 2019

April 22, 2019

Circular No.EPS/05/2019-20

To: Members of the Council

Sub: Request for Inputs for Creation for New HS Codes

Dear Member,

As you are aware, on many occasions, the trade face problems on account of non- availability of specified HS Codes in the Customs Tariff Act 1975. As a result, a large number of products are being exported under the "Others" category. Further, the situation results into varied interpretations and ambiguity with regard to the classification of the products at the Customs.

CBIC has constituted a Working Group to look into the issues related to Customs Tariff Act and its Schedules. The mandate of the group includes broadening /expansion of Customs Tariff by creation of new 8 digit Customs tariff heading/lines for specified commodities or class of commodities.

In this regard, the Government has invited suggestions from the Council.

We would, therefore, request you to please send us your suggestions on the HS Codes positively **on or before April 25, 2019** by email on the email IDs ravikumar@texprocil.org/ vimal@texprocil.org.

We solicit your support and co-operation in the matter and look forward towards receiving your suggestions.

Regards,

Dr. Siddhartha Rajagopal
